## About Our English Team (教师团队介绍)

My educational background is two-fold. I have a master's degree from Northwestern University in Evanston, IL, and - for a total of 21 years - taught science in middle school, high school, and college. But I also have a love of languages. I studied Latin in high school, Spanish in university, and during my term of service as a Christian missionary in Taiwan, I studied the Mandarin Chinese language, receiving a Diploma in Chinese Studies from the Taichung Branch of the Taipei Language Institute in 1970. After retiring from my position as biology teacher at a high school in South Bend, IN in 2001, I was hired by The Language Company under the umbrella of Indiana University South Bend where I was a part-time Associate Instructor of English as a Second Language for the international students there. My own experience of language study has enabled me to help my students move past some of the difficult challenges of studying the English language. It gives me great joy to have this opportunity to spend time with students and to share the love of God in Christ Jesus who gives me His blessings and hope each day.

### English Teacher - Janice Miller

我是个中国通，会说一口流利的汉语，还会做中国菜。从西北大学硕士毕业后，我曾任教于初高中和大学教授科学。然而出于对语言的热爱，我在高中时学了拉丁语，又在大学时学了西班牙语。在台湾做基督教宣教士时，学习中文并在1970年取得了台湾中华语文研习所台中分校的中国国学学位。2001年从一所高中从生物教师的岗位上退休以后，我又被印地安那大学南岸分校聘作兼职助教，帮助那里的国际留学生学习英语。这些个人学习语言的经历使我能够帮助我的学生们更顺利地度过学习英语的难关。能在这里和学生们一起共享时光，分享耶稣基督带给我的保守和希望真的让我很欣慰。 -

### 英语教师- Janice Miller (中文名字) 木马利

I was a chemical engineer who retired early and went to live in China for six years. I am married to a Chinese lady. In China, I taught English as a second language part time for two years and then full time at the university level. I learned public speaking skills in Toastmasters International. Materials for these sessions come primarily from current magazines, focusing on

sentence structure and vocabulary found in everyday conversations in the workplace and our communities. Copies of these materials and a vocabulary list for key words for study are provided in each session. - **English Teacher - Craig Bate**

我曾是一名化学工程师，提前退休后曾在中国居住了四年并且娶了一位中国妻子。在中国，我曾担任过两年的兼职英语教师，后又在大学里做全职教师，并且在 Toastmasters International 学习了公共演讲技能。本课程的学习材料主要来自于时下的杂志，主要学习工作和生活场合的日常会话及句式和词汇。每堂课我们会提供这些学习材料和关键词汇表。-**英语教师- 快科白特**

I was once a laborer starting at age 14. I worked at the New York City sewing factories and Chinese restaurants at an early age. I didn't care about high school studies at all. I spent most of the time earning money through various hourly jobs. However, years later, I figured out that labor intensive work was not what I wanted to do for the rest of my life. My faith in God helped me to finish my master's degree in computer science. After working as an engineer for years, I have gradually realized that one of the most important skills is language. Even if we are good at many things such as chemistry, physics and math, without good language skills, we may still have roadblocks to success. God is giving me a second chance to improve my language skills. I am going back to college studying English as a major, and reward from God is plentiful. I formed a language team at church not only to help you to learn the English language skills, but also to help you to know Christ as your personal savior. Your success will begin the day you start to join our team. - **Coordinator - Paul Lee**

我年少时曾在纽约的餐馆和纺织厂打零工。那时我认为上学不重要，只喜欢花大部分时间赚钱打工。许多的体力活都做过。直到有一天我发现不甘心一辈子做这种工作。感谢神让我通过努力完成了电脑工程的学位。多年的工程师经历让我深悟学好语言的重要。感谢神给我第二次机会回到学校提高英文。神也感动我在教会成立这个英文班，为那些在异国他乡，语言不通，和需要提高英文的朋友服务。我们有一个有爱心而实力雄厚的团队。在这里，你不仅可以学好英文，更可以认识这位改变你生命的救主。我可以做到，你一定能！我们真心地等待你，并欢迎你！-**英语班联络人- 李影峰**
